Source said about 20 Vietnam Veterans testified and the testimony related to the seven topics mentioned above and attempts to expose military practices at home and abroad, which the VVA felt was counter to either the practices of war or the Geneva Accords or, in some cases, moral or human rights principles. Throughout the testimony, several of the witnesses repeated that it was the intent of the WS to point out practices in the military which are counter to furthering peace and democracy at home and in the world.

Source also advised that of those in attendance, about 25-30 were Vietnam Veterans and about 20 more individuals were friends or relatives of these Veterans. The audience was also made up of student-age persons who have been active in the peace movement in Pittsburgh to varying degrees.

Source further advised [REDACTED]

On October 24, 1971, a second source advised that about 75 - 100 people attended a meeting of War Crimes Testimonies called "Winter Soldiers' Testimonies" at CMU on October 24, 1971.

L
Second source said one of the Veterans in his testimony stated that he would rather be tried by the military courts than the civilian courts, but pointed out there were many flaws in the military system. He also stated that at least 35 per cent or better of the soldiers in Vietnam are on drugs. He said an eight year old boy tried to sell him drugs in front of a policeman in daylight.

He said the policeman had to see him. He added that a \$5.00 habit in Vietnam could be a \$200 or \$300 habit in the United States. U

Second source advised that other veterans said the various branches of the military were prejudiced against blacks, Mexican-Americans and Puerto Ricans. One white Veteran said the service is geared for the white middle-class in school and training and that was why blacks, Mexicans and Puerto Ricans do not do well during testing. U

Second source also advised that testimony was given that soldiers in Vietnam were economically exploited because they had to buy things on the Black Market in Vietnam where they were cheated in the exchange of money. It was also pointed out that soldiers coming home cannot get jobs and if they are addicts, are unable to get proper treatment. A statement was also made that President Nixon could not bring all the soldiers home, especially the addicts, because no one in America would be safe on the streets or in their home. U

Enclosed for New York is one copy of referenced

Omaha does have one group of Vietnam veterans at
the University of Iowa, Iowa City, which was organized in
April of 1971. They call themselves Iowa Veterans Against
the War, and they were one of a coalition of radical
organizations which participated in violent demonstrations
at UI in May of 1971. There are estimated to be 10 to 15
students, former veterans, as members of this group. A
case has been opened in Omaha entitled "Iowa Veterans
Against the War", and referenced report has been submitted
concerning this group.

This group is affiliated with the national
organization, Vietnam Veterans Against the War. The
activities of the VVAW will be followed in Omaha file
100-8237, and New York will be furnished results of that
investigation.

UNITED STATES GOVERNMENT

Memorandum

TO : DIRECTOR, FBI (100-448092) DATE: 11/8/71

FROM : SAC, SPRINGFIELD (100-12685) (P)

SUBJECT: VIETNAM VETERANS AGAINST THE WAR (VVAW)
IS - NEW LEFT

The following objectives of the VVAW were set forth in the 10/25/71 issue of "The Boneyard Examiner", a self-described weekly publication of the Boneyard Press, 296 Illini Union, University of Illinois, Urbana, Illinois.

Objectives of VVAW:

"1. To demand an immediate cessation of fighting and the withdrawal of all American troops from Indochina. We cannot allow one more human being to be killed in Indochina.

"2. To demand Congress enact legislation for the immediate termination of all funds being utilized by the United States government, its allies and the Central Intelligence Agency to support their illegal operations in Latin America, Africa, China, Europe, and the countries of Vietnam, Cambodia, Laos, and Thailand.

"3. To demonstrate that our military tactics dehumanize soldiers and civilians, and to make clear the United States government is prosecuting an illegal, unjust and immoral war in Indochina.

"4. To show Americans that their society is structured by a racism which lets us view all non-whites as less than human. This racism pushes our minorities through inferior schools and into the combat arms. Thus, we send our minorities off to die in disproportionately high numbers while we kill Asians indiscriminately. We demand that the military recognize its complicity in America's domestic and international racism.

"5. To make clear that the United States has never undertaken an extensive open investigation of American war crimes in Indochina. We demand that the United States government, in its war in Indochina, affirm the principles of Nuremberg. As former G.I.'s, we recognize the responsibility of the individual soldier to refrain from committing war crimes. We also recognize that the responsibility and guilt of war crimes committed in the name of America lies with our policy makers at all levels.

"6. To demand that all active-duty servicemen and women be afforded the rights as citizens that are guaranteed by the United States Constitution and Bill of Rights that are presently denied them by the Uniform Code of Military Justice. We are appalled that servicemen and women are treated as less-than-first-class citizens. We endorse the efforts of our active-duty sisters and brothers in their struggle to democratize the military.

U
"7. To support all military personnel refusing to serve in wars of aggression at home and abroad. We demand Congress enact legislation for the immediate repatriation with full amnesty to those brothers and sisters who are in prison or in self-exile by reason of their refusal to serve in the military. We support all persons refusing to be drafted.

"8. To demand immediate legislation to provide proper care and services of all veterans in V.A. hospitals; to make available job training and placement for every returning veteran; and to provide the funds and means necessary for their educational and vocational endeavors.

"9. To affirm that the membership is not only concerned with ending this war, but changing the domestic social, political, and economic institutions that have caused and permitted the continuance of war."

SI 100-12685

THE SECOND MEETING WAS HELD AT A CHURCH LOCATED NEAR FORTIETH AND MAIN, BELIEVED TO BE NUMBER TWO FORTIETH, KANSAS CITY. Dear Sir,

I am a Sgt in the U.S. Army currently stationed in Viet Nam for my fourth tour. A while back I met some young men who are members of the Viet Nam Veterans Against the War (VVAW) I listened to some of the things they had to say, and they were quite convincing. Lately I have been wondering if I was misguided in my thoughts. I am involved with a lot of people in the so called "Peace Movement." What really disturbs me is not the "peace demonstrations," but the disruptive process behind it. I believe that the "Peace Movement" has been somewhat "Communist infiltrated." I don't like this, as I do consider myself a loyal and just American. Please sir, is there any way in which I could help your agency against these people. I am well thought of in the "Movement" and I can easily move among them. I wish to be of some service to you and my country. Please let me help in any way

VVAW CONVENTION, NORMAN, OKLAHOMA,
NOVEMBER 5 - 7, 1971

A confidential source [REDACTED]

[REDACTED] appears on a signature list of persons who attended a Statewide Antiwar Conference at OU, Norman, Oklahoma, April 3, 1971 (Oklahoma College of Liberal Arts (OCLA) is at Chickasha, Oklahoma.)

On October 15, 1971, a pretext telephone call was made by a Special Agent of the FBI to Oklahoma City Telephone Number 947-1669 (listed in "The Well," above, for ROGER DE VITO). The individual who answered this call identified himself as ROGER DE VITO, Regional Coordinator for the Oklahoma - Arkansas VVAW. During conversation, DE VITO stated as follows:

The Oklahoma VVAW is sponsoring a VVAW Regional Convention from November 5 - 7, 1971, at OU, Norman, Oklahoma, and VVAW representatives from Oklahoma, Arkansas, Kansas, Missouri, Texas, Colorado, and Louisiana are expected to attend. OU has approved the use of university facilities for the convention, but no room or building has yet been designated since the approximate number of participants at the convention is unknown at this time.

[REDACTED] who has furnished reliable information in the past, advised on October 15, 1971, that the OU (Norman) VVAW Chapter had requested the Calendar Committee, Office of Student Affairs, OU, to approve the use of OU facilities on November 5 - 7, 1971, for a Regional VVAW Convention and the request was approved.

[REDACTED] advised on October 29, 1971, as follows:

VVAW members from Lawrence, Kansas, Houston, Texas, Arkansas, Louisiana, and Oklahoma are expected to attend captioned convention. Oklahoma Chapters to be represented include Oklahoma City, Tulsa, Stillwater, Chickasha, and Norman. Approximately 300 persons are expected at the convention.

The tentative convention schedule is as follows:

Friday,
November 5: Registration 7 p.m. to 8:30 p.m., followed by a memorial service on OU's South Oval.

VVAW CONVENTION, NORMAN, OKLAHOMA
NOVEMBER 5 - 7, 1971

Saturday,
November 6: 10 a.m. to 12 Noon, war crimes trial investigation with twelve persons testifying. 2 p.m. to 5 p.m., speeches. During evening hours, a fund raising "get together" will be held at "The Bar" in Norman.

Sunday,
November 7: 12 Noon to 2 p.m., workshops at Dale Hall, OU. 2 p.m., leave for Fort Sill (Lawton), Oklahoma, to hold a demonstration and hand-out pamphlets.

The November 1, 1971, issue of the "Oklahoma Journal" newspaper, Oklahoma City, Oklahoma, reflected an article entitled "War Crimes Head Agenda for Veterans." The article stated as follows:

Vietnam veterans from Oklahoma and Arkansas will deliver testimony concerning war crimes in which they allegedly participated when the two-state region of VVAW convenes at OU for three days starting Friday. ROGER DE VITO, Oklahoma City, Regional Coordinator for Oklahoma and Arkansas, said sessions will feature an address by a member of the 5-man Executive Committee which runs the national organization, identified as JOHN KERRY, Boston, Navy veteran.

DE VITO and DAVID COLLINS, Oklahoma City, State Coordinator, said the public was invited.

Registration will begin the convention on Friday evening, followed by a memorial service on OU's South Oval.

Activities Saturday will be at Dale Hall, OU, with "Winter Soldier Investigation" program in which veterans will give sworn testimony concerning alleged war crimes in which they participated in Vietnam, naming the military outfits and dates and places in which the offenses purportedly occurred.

The regional program is part of a national project to call attention to American violations of the Geneva Conference rules of warfare, DE VITO added.

VVAW CONVENTION, NORMAN, OKLAHOMA
NOVEMBER 5 - 7, 1971

At 2 p.m. Saturday, a movie, "The Different Sons," which portrays a mock search and destroy mission will be shown followed by a guest speaker from the OU Black Student Union and JOHN KERRY.

A benefit concert will be held Saturday evening at "The Bar" in Norman with proceeds going to the antiwar organization.

DE VITO said workshops will be held from 10 a.m. to 12:30 p.m., Sunday, and a contingent of members would leave for Lawton, Oklahoma, to attend a GI solidarity rally at 2 p.m. Tentative plans call for a rally to be held at Lawton's Elmer Thomas Park, but may be changed to a church. Efforts are being made to have JOHN KERRY attend the Lawton rally.

b2
b7D [redacted] who has furnished reliable information in the past, advised on November 1, 1971, that the OU (Norman) VVAW Chapter had reserved Room 103 (capacity 220) and Room 107 (capacity 73) at OU's Dale Hall from 8 a.m. to 5 p.m., November 6 and 7, 1971.

The November 3, 1971, issue of the "Oklahoma Daily," OU student newspaper, Norman, Oklahoma, reflected an article concerning the captioned convention. The article stated workshops concerning military justice, veterans lobbies, and regional organization would be held on November 7, 1971, beginning at 10 a.m. at Dale Hall, OU, and following the workshops, participants would be invited to travel to Fort Sill (Oklahoma) with JOHN KERRY, national spokesman for the VVAW and featured speaker at the convention, where KERRY will present another address. The article continued by stating: Following KERRY's speech, a "small demonstration will be held to show our solidarity with active GI's," DAN DRYZ, President of the OU VVAW Chapter said.

He said VVAW members will continue to be active in activities to end the war, but indicated that VVAW members are against any type of violence. During the evening hours, a fund raising concert was held at "The Bar" in Norman.

Sunday, November 7: Workshops on military justice and VVAW regional organization were held from 10 a.m. to 3 p.m. 50 to 75 people participated.

VVAW CONVENTION, NORMAN, OKLAHOMA
NOVEMBER 5 - 7, 1971

Veterans Against War Chief Asks Power Structure Change

By Bryce Patterson

The political power structure within the United States can and must change if the nation is to avoid violent efforts to seize power, John F. Kerry, a member of the executive committee of the Vietnam Veterans Against the War, said in Oklahoma City Saturday.

Meeting with reporters before speaking at the University of Oklahoma, Kerry said, "If it (the government) doesn't change we are asking for trouble. If it is not done, those who are talking about seizing it will have every right to go after it."

Kerry emphasized that he and those he represents are totally opposed to any such violence.

Kerry was en route from his home in Massachusetts to take part in a two-day conference on the OU campus. During the meeting local members of his organization were to voice their firsthand views of the Vietnam conflict as well as testifying to what they termed "war crimes," that they had seen or been involved in.

Kerry was met at Will Rogers World Airport by Roger DeVito, Oklahoma City, state coordinator of the organization, and several of its members.

Responding to questions about growing apathy for anti-war movements, the former Navy lieutenant said many persons have decided that the government will not respond to their desires, whether they are reflected through demonstrations or other methods.

"There is fantastic apathy in this country right now," he said noting that his group hopes to make the government more responsive through elections.

Claiming that veterans, who agree with his organization's position on the war and the responsiveness of government, are running for office in many parts of the U.S., the Yale University graduate said they are determined to keep President Nixon from being re-elected in 1972.

Asked about political candidates his group would be willing to support, he said Democratic Senators Edmond Muskie, George McGovern and Edward M. Kennedy have the best chances for getting the nomination, but if Senator Hubert Humphrey or Henry Jackson were nominated there will be a fourth party movement in the U.S.

He said neither he nor his organization has yet chosen a candidate.

Kerry blamed the Vietnam war for what he called the rapid growth of alienation of the people from the government. He said President Nixon campaigned for office partly on a claim that he had a secret plan for ending the war.

"Now, the only thing is, it is still secret," he said.

Kerry said since President Nixon took office 19,000 persons have been killed and the number of bombing missions has doubled.

Since the current administration took office, Kerry said, Cambodia has been brought into the war and half of the population of Laos has become refugees.

He disagreed with reporters' questions about American withdrawals from the war being the Nixon plan.

He contended that the administration still seeks a victory in Vietnam.

Kerry said Nixon is now telling the nation it will be able to do with a small force what it could not do with 500,000 troops.

Questioned about the reception his organization has received, Kerry said it has been difficult for the group -- "young men who fought in Vietnam" -- to work against the conviction persons in politically powerful positions of

the "absurdity, futility and stupidity of continuing."

Arguing that Americans "have lost sight of our own morality" in Vietnam, the winner of the Silver Star, Bronze Star and three Purple Hearts while commanding a "swift" patrol boat, said the U.S. military has committed atrocities in Vietnam because of bad leadership, the individual backgrounds of some persons and the "institution of racism."

Claiming that the Vietnam Veterans Against the War will continue to be active after the U.S. is out of Vietnam because they want changes in other aspects of American life, Kerry said it is wrong for some persons to make millions of dollars and pay no taxes while others barely making a living have to pay them.

Kerry, the son of a former Foreign Service officer, said of 234 congressmen's sons eligible for service in Vietnam, only 24 went there and only one of them was wounded.

He said approximately half of this group were deferred from military service for some reason.

He acknowledged that some of his views might work against the conviction of a world made up of nations as well as feelings of nationalism, but said he still had faith that the U.S. can change.

VIETNAM VETERANS AGAINST THE WAR (VVAW)

A confidential source, who has furnished reliable information in the past, furnished the following information on November 12, 1971: U

On the evening of November 11, 1971, beginning at 7:30 PM, the New Orleans VVAW conducted a self-styled "Candlelight Parade and Memorial Service." The word "amnesty" was not part of the title. The purpose of the activity was to pay silent tribute (presumably to U. S. war dead in Vietnam) in a totally peaceful manner. U

MEMORIAL SERVICE ORGANIZATION

The parade permit was applied for by New Orleans VVAW activist Don Conner. That permit alerted the New Orleans Police Department, and a motorcycle police escort was provided for the parade. U

About 180 persons gathered at Galvez and Canal Street, at 7:30 and marched via Canal and Chartres Street to the French Quarter's Jackson Square where the "memorial service" was conducted in front of St. Louis Cathedral. U

The parade was broken into four "pletoons" which seemed to represent the following New Orleans New Left groups, though there was a lot of mixing between the groups. U

ENCLOSURE

NOMDS, formerly a local chapter of Students for a Democratic Society (SDS) and affiliated with the Worker Student Alliance (WSA) faction of SDS, disassociated itself from WSA/SDS in February, 1971, and indicated it would function as an independent revolutionary organization in the future.

SDS was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From a stance of "participatory democracy", the SDS moved to a radical-revolutionary position. It maintained a national office at 1608 West Madison Street, Chicago, Illinois, until February, 1970. Internal factionalism during 1969 produced three main factions: Weatherman, Revolutionary Youth Movement (RYM) and WSA. The Weatherman and RYM no longer consider themselves associated with the SDS. The WSA faction continues to use the name SDS.

WSA, a faction of SDS, was expelled from SDS in June, 1969, by the then dominant Weatherman faction, but continued to use the name SDS and opened an office in Cambridge, Massachusetts. WSA aligned ideologically with the Progressive Labor Party (PLP) and, in February, 1971, moved to Chicago, Illinois, where it opened the SDS National Office at 1225 South Wabash Street.

Weatherman, formerly a faction of SDS, controlled the SDS National Office from June, 1969, until its closing in February, 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage," with police and military installations designated as primary targets.

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and MAO-Tse-tung thought.

The VB was formed in June, 1969, by a coalition of New Left organizations to encourage American youth to travel to Cuba in defiance of a ban on travel to that country by the United States Department of State. The ostensible purpose of the travel was to assist the Castro regime in the harvesting of sugar cane and other agricultural products and to give young Americans the experience of living in a revolutionary communist country.

which is an arm of the American Nazi oriented
National Socialist White Peoples Party.

The National Socialist White Peoples Party, also known as The American Nazi Party, American Nazis, and The George Lincoln Rockwell Party, was based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews, and communists through various propaganda media seeking a legitimate dominant political party in the United States and foreign countries.

During the march to Jackson Square, many miscellaneous home made placard signs were observed which bore general anti-war and anti-government slogans. Some of these included:

"Smash Imperialism and not Women and Children."

"New Orleans Women Express Solidarity with Vietnamese Sisters."

"Freeze Nixon, Not Wages."

Some of the VVAW activists carried an empty coffin draped with an American flag and one activist carried an empty flag pole.

During the march, some 20 odd persons joined the march.

Speakers at the rally in front of St. Louis Cathedral spoke in general terms urging an end to the war in Vietnam. These persons included John Bass, who added that he felt the elite ruling class generates wars for profit; Mike Duffy; Roger White; an unknown white female, age 18, who claimed to be widowed by the war and two unknown Negro males who spoke in drunken terms against general police oppression. David Duke also spoke, and made no attempt to hide the fact that he was a right winger but stated that he too was against the war. He was applauded warmly by the crowd.

The gathering, which by 9:15 totaled about 250 persons, was concluded by Al Ruhlman, who told the crowd to clean up after themselves and leave the area and stay out of trouble on their way home. Ruhlman led the group in singing "Our Father Who Art In Heaven."

There were no incidents noticed of any kind, none of the speeches were inflammatory in nature and there was no confrontation or arrests sought.

A confidential source who has furnished reliable information in the past advised the Regional Convention of the Vietnam Veterans Against the War (VVAW) Convention was held at the University of Oklahoma, Norman, Oklahoma, November 5, 6, & 7, 1971.

The entire conference lacked coordination and appeared to be a platform for JOHN KERRY, National Leader of VVAW, rather than for VVAW and Winter Soldier Investigation (WSI).

WSI was attended by many persons and approximately 10 persons testified. The testimony was taped but was not filmed.

The entire convention was attended by no more than 120 persons, approximately 50-75 of which attended the WSI hearing. Approximately 50 of those at the WSI Hearing were VVAW members from the States surrounding Oklahoma.

The audience for a speech by JOHN KERRY was quite large. A workshop held after KERRY's speech was attended by quite a few people including one student from Iran, who spoke to the crowd as well as the parents of a Marine who died in combat in Vietnam.

WSI and the workshops were emotionally trying experiences for many of the persons present. The reason many people were upset is that those persons testifying told of atrocities and "war crimes" committed by the U. S. service personnel.

VIETNAM VETERANS AGAINST
THE WAR, INCORPORATED (VVAW)

Reference is made to a memorandum at Washington, D.C. (WDC), dated September 15, 1971, concerning the VVAW.

On October 10, 1971, a confidential source, who has provided reliable information in the past, advised that at WDC the VVAW, an anti-war veterans organization incorporated in New York, lacks cohesiveness and direction. The source advised this condition has resulted from the disenchanted of local VVAW supporters, mainly [REDACTED]

and John Kerry, a leading VVAW spokesman.

The source advised that local supporters became dissatisfied with the VVAW following a speech by John Kerry on September 27, 1971, at George Washington University (GWU), WDC.

A second confidential source, who has provided reliable information in the past, advised that on September 27, 1971, John Kerry addressed a capacity crowd at Gaston Hall, GWU. Kerry related his impression of national frustration resulting from an apparent powerlessness to bring about a change of United States policy toward Vietnam. Kerry stated that America's socio-economic condition has been adversely affected by this sense of frustration. The source advised that Kerry emphasized the need to utilize the political process to bring an end to the war in Vietnam.

On October 10, 1971, the first source advised that Kerry's speech was received by local VVAW supporters as a clear indication that Kerry is an opportunist with personal political aspirations. Therefore, the source advised, support has been withdrawn from the New York office in general and from John Kerry in particular.

The VVAW was founded in the spring of 1967 by six young Vietnam veterans in New York City. At the beginning of 1968, with 600 members, VVAW opened a national office, founded the first GI newspaper, Vietnam GI, and sent close to 500 veterans into the McCarthy campaign to beat down red heaters. After getting gessed at the Democratic Convention at Chicago and caught in the general "down" of the peace movement, VVAW was nearly inactive until the moratoriums in the fall of 1969. Members of VVAW led student strikes on major campuses across the country and battled Veterans Administration Hospital authorities over threats to throw amputee Vietnam veterans out for signing anti-war petitions. At present, membership of the VVAW, nationally, consists of 8,500 members.

The first meeting took place at conference rooms A, B, and C at the University of Missouri at Kansas City (UMKC), and was supposed to have begun at 12:00 noon, however, it did not get started until approximately 4:30 p.m., when approximately 50 individuals attended the first meeting consisting of the following individuals:

MEETING, WEEKEND NOVEMBER 12-15,
1971, KANSAS CITY, MISSOURI**

The following individuals resigned from the executive committee, but are holding their office until new members are elected in January 1972:

Mike Oliver
Skip Roberts
John Kerry

[redacted] advised there was no business of any consequence conducted the first day and consisted only of some of the executive committee members resigning and an individual effort by John Kerry to kick Al Hubbard off the executive committee. This did not take place and the first day ended at approximately 9:00 p.m. and was a closed meeting.

[redacted] advised that on Saturday, November 13, 1971, the meeting convened at approximately 9:00 a.m., at 2 West 40th Street, Kansas City, Missouri. About the same number of people were present and not much was accomplished in the morning session which was an open meeting.

62
67D

In the afternoon on Saturday, the meeting took place at a church located at 7801 [redacted] City, Missouri, and was a closed meeting. [redacted] advised that at this meeting the participants [redacted] of the executive committee's powers which [redacted] them power to be involved in anything [redacted] do with the national organization. Hubbard and Kerry again were involved in a floor fight on Hubbard's membership on the executive committee. Kerry did not think Hubbard had ever served in Vietnam or even ever in the service as apparently Kerry has attempted to verify Hubbard's veteran status and has never come up with a 201 file. [redacted] advised that Hubbard has strong backing in the VVAW organization since he is one of the original founders and is friendly with most of the executive committee members.

One of the highlights of the afternoon meeting was Hubbard's briefing of his Paris conference advising the meeting he had just returned from Paris before coming to Kansas City.

[redacted] advised that Hubbard gave the following information regarding his Paris trip:

Two foreign groups, which are Democratic Republic of Vietnam (DRV) and Peoples Republic Government (PRG) (phonetic), invited representatives of the VVAW, Communist Party USA (CP USA), and a Left Wing group in Paris, to attend meetings of the above inviting groups in Paris. Hubbard advised he was elected to represent the VVAW. An unknown male was invited to represent the CP USA and an unknown individual was elected to represent the Left Wing group from Paris. He advised at the meeting that his trip was financed by CP USA. Hubbard said while in Paris, an individual named [redacted] accompanied the visitors and acted as liaison between the visitors and the inviting groups.

Hubbard said while they were in Paris he met with an individual named Swantwee, a representative of North Vietnam. They talked about the P.O.W. issue and the possibility that a VVAW delegation might be able to go to Vietnam in the near future and discuss the possibility of the release of American P.O.Ws.

[redacted] advised that after Hubbard's talk regarding [redacted] and John [redacted]

[redacted] advised that another individual attended the meeting on Saturday afternoon named Joe Urgo, identified as an employee of the VVAW

at the national office. Urgo advised at the meeting that he went to Hanoi in August 1971 and talked with several North Vietnamese representatives. He said the reason for his trip to Hanoi ties in with the international action of active duty people to demonstrate against the Vietnam war. Urgo made the following proposals to the North Vietnamese and he advised that the North Vietnamese took them under advisement:

1) Tapes would be sent from the United States to North Vietnam to broadcast over Radio Hanoi to get U.S. servicemen to stop fighting in Vietnam;

2) To send a VVAW delegation to Hanoi in the near future to negotiate the release of American P.O.Ws.

62
67D { [redacted] said that Urgo advised that while he was in Hanoi, he was taken to training camps and factories of the North Vietnamese army.

[redacted] said it was brought out at the meeting that the above proposals made to the North Vietnamese would be further worked out at another national meeting to take place in February 1972. On both trips abroad made by Hubbard and Urgo, the same basic proposals were submitted.

[redacted] advised that several proposals were made during the afternoon meeting of events to be participated in nationally by the VVAW. The ones that were voted upon to take place are as follows:

Five cities in the United States were voted for action to take place which are as follows:

Killeen, Texas
Chicago, Illinois

[redacted] advised at the above five cities, demonstrations will consist of marches, guerrilla theatres, blood giving caravans, and other different activities at different localities. In all five areas, there will most likely be civil disobedience but it will depend on leaders in each city to determine what they will do or if there will be any civil disobedience.

[redacted] advised that another proposal voted on to take place was a dawn to dusk vigil and fast in memory of the millions of victims of the Indo-China war in each of the capitols of the United States on Thanksgiving day, November 25, 1971.

The meeting on Saturday terminated in the early evening.

L

[redacted] advised that the meeting on Sunday convened at approximately 9:00 a.m., at a place called Commoo Ground located at 40th and Rainbow. Most of the business taken up was administrative and it was mentioned that the finances of the national office were in bad condition. Other topics that were discussed was that there will be no VVAW coalition with the Socialist Workers Party (SWP), Young Socialist Alliance (YSA), and National Peace Action Coalition (NPAC).

As the youth organization of the SWP, the YSA serves as the main source of recruitment into that organization. The YSA is described in the masthead of its official publication, The Young Socialist Organizer, as "A multinational revolutionary socialist youth organization."

The SWP has been designated pursuant to Executive Order 10450.

The NPAC was founded in 1970 by members of the SWP. Its basic objective is to unite masses of

Politics was discussed and it was decided that the VVAW would make no endorsement to any political parties and they would only be interested in voter registration. It was brought out at the meeting that the VVAW will attend national party conventions during 1972, however, no specifics were discussed and they will participate in disruptive demonstrations at the conventions..

PURPOSE:

To furnish results of VVAW regional coordinators meeting held in Kansas City, Missouri, 11/12-14/71, and emergence of definite militant and possible violence-prone posture of VVAW.

BACKGROUND:

VVAW, organized in 1967 in New York by six Vietnam veterans, has grown to organization of at least 10,000 members throughout the U.S., and until recently has been, to our knowledge, legitimate antiwar protest organization. In view of numerous recent indications of subversive infiltration, it was recommended and approved by Director that field-wide investigation of VVAW be initiated to determine extent of subversive influence or control.

From 11/12-14/71 at Kansas City, approximately 80 VVAW regional coordinators and other key officials met to discuss future policies and plan future actions. During meeting, Al Hubbard, national VVAW official, reported he had been in Paris recently and in contact with North Vietnamese peace delegation and was confidentially told that next prisoner of war (POW) release would be made to VVAW. Hubbard confided to members in attendance that his trip was financed by Communist Party, USA (CPUSA). Joe Urgo, another national VVAW official, advised that he had traveled to Hanoi in 8-71 and talked with North Vietnamese officials. VVAW then decided to attempt to send five-man delegation to Hanoi, 12-71, in effort to effect POW release. Our informants further reported that several conservatives on VVAW National Steering Committee were replaced with more militant persons who would take more aggressive action.

VVAW decided on actions during Christmas holidays for Killeen, Texas; Chicago, Illinois; Valley Forge, Pennsylvania; Atlanta, Georgia; and San Francisco, California, to include civil disobedience. VVAW actions are: (1) Burning publicly a Christmas tree with war toys and decorations simultaneously with President Nixon's lighting of the National Christmas Tree; (2) non-Christmas dinner inviting persons and charging admission with guests to sit down to empty plates; (3) Public donation by VVAW members of blood to blood banks designated for use by people of the world; (4) Public testimony by VVAW members on U.S. atrocities committed during past Christmas truces; (5) Separate form of civil disobedience to be executed on Christmas Day; details to be worked out at a later date; and (6) Establishment of sanctuaries for deserting servicemen in areas around military bases.

Pertinent information developed at VVAW meeting has been furnished by teletype to the White House, Vice President, State Department, Central Intelligence Agency, Defense Intelligence Agency, Secret Service, Attorney General, and the military.

ACTION:

For your information. Investigation of VVAW, especially Florida chapters, being vigorously pressed, and you will be immediately advised of all pertinent developments.

RE: VIETNAM VETERANS AGAINST THE WAR;
INTERNAL SECURITY - NEW LEFT

On November 15, 1971, Source One advised that the Memphis Chapter of the Vietnam Veterans Against the War (VVAW) was organized by members of the Memphis Chapter of the Young Workers Liberation League (YWLL) in May and June, 1971.

b7C
b7D

The funds of the VVAW have been limited to small donations made primarily by members of the organization. As a result of this ineffective leadership and the lack of funds, the activities of this group have attracted few participants. The membership of the VVAW includes some members of the YWLL who have attempted to develop the organization into a multi-issue group rather than a one-issue group strictly related to the Vietnam War issue. Since late October, 1971, meetings of this group have been poorly attended and interest in the organization appears to be diminishing.

The Young Workers Liberation League (YWLL) is a front organization of the Communist Party, USA (CPUSA). It was formed as a Marxist-Leninist youth group in February, 1970.

On November 19, 1971, Source Two advised that the last two meetings of the Memphis Chapter of the VVAW were poorly attended and no business matters were discussed.

On September 13, 1971, Source One furnished a leaflet which contained the statement of purpose for the VVAW nationally as well as actions adopted by the Memphis Chapter of the VVAW. These are as follows:

Nationally

1. A total U. S. military withdrawal immediately from Southeast Asia *SET THE DATE NOW*.
2. The securing of GI and Vet rights by fighting to end racism and repression both in the military and out of it, increasing employment opportunities for veterans, and improving VA medical facilities.
3. The active support of other progressive movements who share our goals and whose programs we endorse.

Locally

1. A campaign for mass endorsement of the People's Peace Treaty.
2. Visitation with patients at our VA hospital with the goal of establishing programs which will meet vets' needs, such as a methadone treatment clinic.
3. Demands to local government and business to take immediate steps toward creating decent job opportunities for veterans, particularly black vets who have been hit hardest by unemployment.

As New York is aware and for information of Albuquerque, during VVAW National Steering Committee meeting, Kansas City, 11/12-14/71, Al Hubbard, national VVAW official, reported on recent visit to Paris during which he conferred with Viet Cong and representatives of North Vietnam concerning release of additional prisoners of war (POWs) in near future. Hubbard indicated that a five-man delegation of VVAW members would be traveling to Hanoi before Christmas, 1971, to effect POW release. This matter is of extreme interest to high-level Government officials.

Vietnam Veterans Against the War (VVAW) chapter continues
to hold regular meetings and identified the following
leaders of the [redacted]

[redacted] North Upton, regional coordinator:

The VVAW was founded in the spring of 1967 by six
young Vietnam veterans in New York City. At the beginning of
1968, with 600 members, VVAW opened a national office, founded
the first GI newspaper, "Vietnam GI," and sent close to 500
veterans into the McCarthy campaign to beat down the red
baiters. After getting gassed at the Democratic convention
at Chicago and caught in the general "down" of the peace
movement, VVAW was nearly inactive until the moratoriums in
the fall of 1969. Members of VVAW led student strikes on major
campuses across the country and battled Veterans Administration
Hospital authorities over threats to throw amputee Vietnam
veterans out for signing anti-war petitions. At present,
membership of the VVAW, nationally, consists of 8,500 members. u

~~CONFIDENTIAL~~

A VVAW SPONSORED OFFENSIVE
TO END THE WAR

~~CONFIDENTIAL~~

The killing continues, defoliation continues, strato-level bombing continues, when will this war end?

The 7 point peace plan was proposed in Paris two months ago, the government of this country has failed to respond to it, we as veterans and active duty people must. I propose that a call be put out to all active duty people, in Nam, CONUS, Europe and every other place troops are, that the annual Thanksgiving Day dinner be boycotted in protest of the war, followed by other actions by the troops in Nam.

Getting the word out will be difficult. The First Casualty is our prime means of communications with our members in Nam. We can get three issues printed and distributed before Thanksgiving, possibly four. I believe this is one way of bringing the american people to the realization that the troops do not want war. It will make them realize that Nixon is fighting his own war, a war of aggression, not freedom. I believe that after the american public realizes the determination of the troops to end the war, support will be forthcoming.

We would be asking the sisters and brothers in Nam to do something that would leave them open for court martial and maybe imprisonment. We must do something here to show our solidarity with them. What that something is has to be worked out but I do not believe it can be anything less than what the folks in Nam do. Possibly some form of C.D., going to jail and starting a hunger strike?

There are a number of service organizations that might help us. I have not contacted any yet, some of these organizations are USSF, ASU, The GI Office, SOS, various Coffee Houses and GI Newspapers around this and other countries. Their support is a must if this project is to be successful.

The first thing that must be decided is, does VVAW want to undertake this task? If so, contact all of the above organizations and ask for their support? Contact every other peace movement in this country and others and ask for their cooperation? I believe that the power of this action is in its scope, ie having US troops all over the world protest at one time.

This is basically it. As you can see it is not so well thought out as yet, but we do require immediate reaction from you in order to get some more work done on it. If I have not heard from you by August 25 I will take that as a sign of your acceptance. A coordinators meeting might be needed.

PLEASE LET ME KNOW WHAT YOU THINK-ASAP.....

SDS was founded during June 1962 at Port Huron, Michigan, and in the 1960s functioned as the leading New Left campus-based student organization in the United States. From a stance of "participatory democracy", the SDS moved to a radical-revolutionary position. It maintained a national office at 1608 West Madison Street, Chicago, Illinois, until February 1970. Internal factionalism during 1969 produced three main factions: Weatherman, Revolutionary Youth Movement (RYM), and Worker Student Alliance (WSA). The Weatherman and RYM no longer consider themselves associated with the SDS. The WSA faction continues to use the name SDS.

Weatherman, formerly a faction of SDS, controlled the SDS National Office from June 1969 until its closing in February 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage," with police and military installations designated as primary targets.

RYM, a pro-Communist revolutionary youth organization, was organized in 1969, first as a faction within the SDS, then as a separate group with headquarters in Atlanta, Georgia. RYM was unsuccessful in attracting support and by mid-1970, it was practically defunct.

WSA, a faction of SDS, was expelled from SDS in June 1969, by the then dominant Weatherman faction, but continued to use the name SDS and opened an office in Cambridge, Massachusetts. WSA aligned ideologically with the Progressive Labor Party (PLP) and, in February 1971, moved to Chicago, Illinois, where it opened the SDS National Office at 1225 South Wabash Street.

THE VVAV "FAST" AT PLYMOUTH ROCK, PLYMOUTH, MASS.,
ON THANKSGIVING DAY, NOVEMBER TWENTYFIVE LAST, WAS
CONSIDERED A FAILURE AS HIGH WINDS AND HEAVY RAIN FOR
MOST OF THE DAY PREVENTED ANY EFFECTIVE ACTION BY THE
APPROXIMATELY SEVENTYFIVE VVAV MEMBERS WHO CAME TO
PLYMOUTH. THE GROUP ALTERNATED TWENTYMENBERS AT A TIME
FOR SHORT PERIODS THROUGHOUT THE DAY AT PLYMOUTH ROCK,

THE INCLEMENT WEATHER PRECLUDED THE USE OF SOUND

VIETNAM VETERANS AGAINST

DEMONSTRATIONS AT
NATIONAL POLITICAL CONVENTIONS
1972

62
67D } [redacted] who has furnished reliable information in
the past, advised on November 16, 1971, that the VVAW held
its national coordinators and steering committee meeting in
Kansas City, Missouri, November 12 through 15, 1971.

At the meeting, on Sunday, November 14, 1971, it
was decided that the VVAW will conduct disruptive demonstrations
at national political party conventions to take place in 1972.
[redacted] advised that the demonstrations will be planned at future
VVAW meetings.

The VVAW was founded in the spring of 1967, by six
young Vietnam veterans in New York City. At the beginning of
1968, with 600 members, VVAW opened a national office, founded
the first GI newspaper, "Vietnam GI", and sent close to 500
veterans into the McCarthy campaign to beat down the red baiters.
After getting gassed at the Democratic convention at Chicago
and caught in the general "down" of the peace movement, VVAW was
nearly inactive until the moratoriums in the fall of 1969. Members
of VVAW led student strikes on major campuses across the country
and battled Veterans Administration Hospital authorities over
threats to throw amputee Vietnam veterans out for signing anti-war
petitions. At present, membership of the VVAW, nationally,
consists of 8,500 members.

OBJECTIVES OF VIETNAM VETERANS' LEAGUE OF THE USA, I. C.

1. Demand an immediate cessation of fighting and the withdrawal of American troops from Indochina. We cannot allow one more human being to be killed in Indochina.

2. Demand Congress enact legislation for the immediate termination of all funds being utilized by the United States government, its allies and the Central Intelligence Agency to support their illegal operations in Latin America, Africa, China, Europe, and the countries of Vietnam, Cambodia, Laos, and Thailand.

3. To demonstrate that our military tactics dehumanize soldiers and civilians, and to make clear the United States government is prosecuting an illegal, unjust and immoral war in Indochina.

4. To show Americans that their society is structured by a racism which lets us view all non-whites as less than human. This racism pushes our minorities through inferior schools and into the combat arms. Thus, we send our minorities off to die in disproportionately high numbers while we kill Asians indiscriminately. We demand the military recognize its complicity in America's domestic and international racism.

5. To make clear that the United States has never undertaken an extensive, open investigation of American war crimes in Indochina. We demand that the United States government, in its war in Indochina, affirm the principles of Nuremberg. As former GI's, we recognize the responsibility of the individual soldier to refrain from committing war crimes committed in the name of America lies with our policy makers at all levels.

6. To demand that all active-duty servicemen and women be afforded the rights as citizens that are guaranteed by the United States Constitution and Bill of Rights that are presently denied them by the Uniform Code of Military Justice. We are appalled that servicemen and women are treated as less-than-first-class citizens. We endorse the efforts of our active-duty sisters and brothers in their struggle to democratize the military.

7. To support all military personnel refusing to serve in wars of aggression at home and abroad. We demand Congress enact legislation for the immediate repatriation with full arrest pay of those brothers and sisters who are in prison or in self-exile because of their refusal to serve in the military. We support all people refusing to be drafted.

8. To demand immediate legislation to provide proper medical services for all veterans in VA hospitals; to make available job training and placement for every returning veteran; and to provide the funds and means necessary for the VA to provide the services and subsistence required by veterans during their educational and vocational endeavors.

Further evidence that seems to indicate that there is no organized veterans group under captioned name is that on 11/6/71 a peace march and demonstration sponsored by the National Peace Action Coalition in the San Francisco area, and numbering about 15,000 participants, revealed there were veterans and some servicemen participating in said demonstration, but there was no organization advertised as the VVAW. In view of the above, San Francisco is discontinuing its investigation on this group until additional information would indicate that organized veterans are operating under the name VVAW, UACB. U

Source One advised on October 12, 1971, that an anti-war demonstration is scheduled to be held on campus at the University of Florida (UF), Gainesville, Florida, on October 13, 1971. Source One advised that this demonstration is being sponsored by the Student Mobilization Committee (SMC) and the Vietnam Veterans Against the War (VVAW). Source One advised there would be speakers and the demonstration is expected to be a quiet one.

The Student Mobilization Committee to End the War in Vietnam (SMC) is controlled by the Socialist Workers Party (SWP) and its youth affiliate, Young Socialist Alliance (YSA). SMC initiates and supports public demonstrations against the war in Southeast Asia.

The SWP has been designated pursuant to Executive Order 10450.

As the youth organization of the SWP, the YSA serves as the main source of recruitment into that organization. The YSA is described in the masthead of its official publication, "The Young Socialist Organizer," as "A multinational revolutionary socialist youth organization."

Source Two advised on October 13, 1971, that the following individuals spoke at the "Anti-War Speak Out Rally," sponsored by the SMC and the VVAW at Gainesville, Florida. This rally was held on the Plaza of the Americas at UF.

Scott Camil, Southeast Regional Coordinator of the VVAW, spoke on the "atrocities" of the Vietnam War. He stated there was not enough support to end the war and that there must be more demonstrations. Camil stated too many people watch football games when people are dying in Vietnam and that people just don't seem to care. Camil stated that there must be more support.

Camil played taped recorded message allegedly recorded by Prisoners of War (POW) in Vietnam. One POW was a Captain Krishner or Kishner in the Army Medical Corps. He allegedly made this tape while a POW. Camil stated this tape was sent to the United States Government who refused to play it publicly. This recorded tape related the "atrocities" in Vietnam by American soldiers and his, Captain Krishner's desire to come home and be with his family.

Lynne Edelman spoke for about two minutes about the SMC and asked support for the anti-war rally in Tampa, Florida, on November 6, 1971.

Robert Markel, a professor at UF and President of the American Federation of Teachers local at UF spoke briefly on the Vietnam War and asked for support to end the war and encouraged student voting registration.

He further stated what the people need now is a true sense of the history of the war. U

Students for a Democratic Society (SDS) was founded during June, 1962, at Port Huron, Michigan, and in the 1960's functioned as the leading New Left campus-based student organization in the United States. From a stance of "participatory democracy," the SDS moved to a radical-revolutionary position. It maintained a national office at 1608 West Madison Street, Chicago, Illinois, until February, 1970. Internal factionalism during 1969 produced three main factions: Weatherman, Revolutionary Youth Movement (RYM), and Worker Student Alliance (WSA). The Weatherman and RYM no longer consider themselves associated with the SDS. The WSA faction continues to use the name SDS. U

Weatherman, formerly a faction of SDS controlled the SDS National Office from June, 1969, until its closing in February, 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage," with police and military installations designated as primary targets. U

A characterization of RYM is contained in the appendix section of this memorandum. U

WSA, a faction of SDS was expelled from SDS in June, 1969, by the then dominant Weatherman faction, but continued to use the name SDS and opened an office in Cambridge, Massachusetts. WSA aligned ideologically with the Progressive Labor Party (PLP) and, in February, 1971, moved to Chicago, Illinois, where it opened the SDS National Office at 1225 South Wabash Street. U

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and Mao Tse-tung thought. U

Source Four advised on October 14, 1971, that Eric Johns was one of the SMC speakers at captioned rally. Johns condemned the United States for its participation in the war. Johns compared President Nixon; former President Johnson; and former Secretary of Defense, Robert McNamara to Hitler and described them as "war criminals."

Source Five advised on October 13, 1971, that in addition to the speakers mentioned herein, a Neil Fullagar spoke against the draft and American policy in Vietnam. Fullagar stated it was not a question of religion and that everybody should outwardly be against the draft. Fullagar spoke primarily about his cause, that being his trial scheduled in Federal Court in Gainesville on October 19, 1971, on a draft charge. He appeared to be trying to raise public sympathy for himself.

Source Five advised that the rally concluded with recorded speeches from United States servicemen reportedly captured in Vietnam. One of the recorded speeches was by a John A. Young, a POW and he stated he had been captured three years ago. Source Five advised that these taped speeches called for support of the North Vietnamese and were against the United States Government.

Source Five stated the general theme of the rally was anti-war and calling for an end to "U. S. imperialism" and calling for support of the "People's Peace Treaty."

Source Five advised the rally did not appear to be well organized and it appeared the speeches were not thought out beforehand. Source Five noted that during the entire rally there were several children between the ages of five and twelve passing out literature.

APPENDIXREVOLUTIONARY YOUTH MOVEMENT

A source advised that the Revolutionary Youth Movement II (RYMII) faction of Students for a Democratic Society (SDS) held a national conference at Atlanta, Georgia, from November 26 to 30, 1969. At this conference it was decided to form a new organization to be known as Revolutionary Youth Movement (RYM), characterized as a mass anti-imperialist youth organization, said organization being proposed as separate and distinct in form and content from SDS. The "Principles of Unity" adopted by the conference included a struggle against white supremacy and male supremacy; fights against imperialism, anticommunism, facism and oppression of youth; and support of the right of self-determination of all "oppressed nations," also support of the right of all "oppressed and exploited" peoples "to armed self-defense." It was agreed that RYM would not be a Marxist-Leninist organization; however, source said this was decided in order to indicate an organization broad enough in form to be acceptable to everyone. A temporary National Steering Committee (NSC) made up of eight females and two males was elected to govern RYM until national officers could be elected during the Spring of 1970. U

RYM publications have listed the RYM National Office (NO) at Post Office Box 5421 and Post Office Box 77012 C, both Atlanta, Georgia, and a second source has advised that the NO has no office space but would probably be considered as located at Apartment 27, 1067 Alta Avenue, Northeast, Atlanta. U

Second source advised that women dominated the founding conference and have continued to dominate NSC meetings to the point that "women's liberation" has apparently become the RYM's principal issue - also that RYM's poor financial condition has resulted in its failure to publish a paper. During early 1970, RYM has decided to cater to the working class rather than youth, since the potential for social revolution lies in workers. U

A third source has stated that it was decided at the March, 1970, NSC meeting that RYM women had decided the organization will be molded into a "working class, Marxist-Leninist, revolutionary, anti-imperialist, problack nationalist, people's women's liberation organization."
